

## TOOL #16

## **EPRP EVALUATION FORM**

How much time did you spend in developing the plan? (too much, too little, right amount) Do you have any ongoing responsibilities for follow up, maintenance, or revision of your part of the plan?  Efficiency of the process  Were planning meetings well-focused on the task at hand?  Were planning partners informed of timelines and expected outputs?  Were planning outputs well-documented and incorporated into the overall plan?  Did your group or team complete your portion of the plan within the agreed timeline?  Qualitative aspects  Were the right partners chosen to be involved in the plan documented and explained? How would you rate the quality of the plan produced? How would you rate the quality of the plan produced? How would you rate the quality of the meeting management and facilitation?  Values/Perception Do you feel that the process was	EPRP Development	Evaluation - Planning Process and Plan
